

Gangtok, 19th Sep (IPR): Shri Mansukh Mandaviya, Hon'ble Minister of State for Road Transport and Highways, Shipping, Chemical & Fertilizers, Government of India called on the Hon'ble Chief Minister Shri Pawan Chamling at his official residence at Mintokgang today.

Shri Mandaviya thanked the Hon'ble Chief Minister and talked about how impressed he was with the political stability, cleanliness and the organic development of the State. He said he hoped to learn and take the good practices of Organic Framing and implement it in Gujarat and other parts of the country.

The Chief Minister suggested that a complete ban on chemical fertilizers and environmental friendly policies should be chartered in every state of the country. He said these steps would help in shifting from commercial farming to organic farming practically and sensibly, both.

The Minister of State expressed his happiness and satisfaction and remarked that other states have a lot to learn from Sikkim. He also stated that Sikkim would receive all help and support necessary. "We trust Sikkim because Sikkim is a trustworthy State," he said.

The Minister of State is on a two-day visit and will visit Pharma Clusters and review NHIDCL and MoRTH works while in the State.
