The procedures to be followed during implementation of Speed Limiting Device (SLD):

1. As per procedure and guidelines dated 2nd August 2016, of MoRTH, the vehicle owners are at liberty to choose the Speed Limiting Device from any source/vendor as long as it is duly type approved by any of the test agencies under Rule 126 of CMVR. The State Government does not restrict the freedom of the vehicle owners to choose the type approved speed limiting device of any eligible manufacturer. It will be the responsibility of the manufacturer to comply with the requirements of the AIS 018 along with the guidelines prescribed in the letter dated 16th June 2016. The State Government would have to ensure the effective implementation of the notification for fitment of the speed limiting device.

2. The manufacturer is required to fulfill all terms & conditions laid down in the notice inviting application before operational of Speed Limiting Device.

3. The installation & sealing of Speed Limiting Device shall be done by the concerned RTO/Dy.RTO/ARTO duly complying all Rules, procedures and direction in this respect.
