

Orientation training for Junior Engineers (Ad-hoc) sponsored by the Energy and Power Department , Government of Sikkim was conducted in the Conference Hall of the Accounts and Administrative Training Institute (AATI), Gangtok.

The welcome speech was given by Director (AATI) Ms. Siphora Targain, where she welcomed all the participants for being a part of such a unique programme of the government. She stated that this was the first of its kind since the state government under the leadership of the Chief Minister, Shri Pawan Chamling felt necessary to impart training to the Ad-Hoc employees who play an integral part in the functioning of the state machinery and such a unique initiative had never been imparted before.

Chief Guest of the function Pr. Secretary to HCM Shri R.S.Basnett addressed the gathering and encouraged the young minds to utilize fully the knowledge which is being bestowed upon them so that they can use that to further their skills at workplace. He said that the Chief Minister emphasized on this training programme since they are the future of the state and the knowledge imparted will help in taking the state forward.

The programme was also addressed by PCE(Energy and Power Department), Shri A.B.Rai and CE(Energy and Power Department), Shri Ganesh Chettri who said that it was crucial for the participants to gain knowledge so that they develop a comprehensive understanding of their work and further their skills.

The Energy and Power Department is organizing the extensive training to Ad-hoc Junior Engineers in three batches of 40 each from 2nd May to 6th May and 8th May to 13th May for North and East districts at AATI, Gangtok and from 17th May to 20th May at SICB, Karfector for South and West districts.
