

(IPR) Minister for Health Care, Human Services and Family Welfare Department Shri A.K.Ghatani today visited the Tashiding Primary Health Centre (PHC) to review the situation of the stock of medicinal supplies and other issues pertaining to the workings of the PHC.

The Minister addressed various issues and said the state today has crossed many milestones of development under the leadership of Hon'ble Chief Minister, Shri Pawan Chamling. He called for collective participation while executing their responsibilities and added that their negligence of any kind would result in failure of the mission.

Minister minutely inspected various wards and interacted with the admitted patients and staff. Assuring complete support from his side, he said that the demands placed before him would be looked after on a priority basis.

Shri Ghantani also stressed that health of the people is of paramount importance and without healthy citizens, we cannot build a healthy state and a healthy nation.
